The Electric Golf Cart with one bed access is ideal for sporting venues, stadiums, shopping centres or anywhere you need to transport guests who are confined to bed. The converted golf cart has one person bed, making it easy to negotiate winding trails of resorts or theme parks. Other uses include hospitals, shopping centres, arcades, malls, zoological gardens, airports and car parks.

Safety

The Ambulance Car is fitted with four-wheel hydraulic brakes and a foot activated parking brake as standard equipment. Regenerative engine braking is also standard, meaning the vehicle won't take off when you're not in it! All vehicles are fitted with headlights, indicators, brake lights and a horn.

FAQ:

1. What's your warranty time?

All Langking vehicles sold by us are quality guaranteed.

We provide 1 year warranty for main parts to our electric vehicles when you get them.

2. What's the production time?

Normally for 30 working days.

3. What's your payment term?

T/T 30% deposit and the balance payment paid before shipment.

4. Can we also purchase the parts?

Yes, if you do maintenance service, you can also buy parts from us. We are the professional for the after-sales.
